PROFILE: These highly motivated direct mail responsive **affluent accredited investors** have responded to a direct mail piece from a brokerage firm and/or financial seminar and purchased a minimum of \$2500.00 worth of stock, stock options and/or units of an IPO within the last 12 months from a discount or full service brokerage firm. All of these above average risk tolerant investors have displayed a willingness to speculate, in order to maximize returns, by designating a portion of their portfolio for aggressive financial growth.

These affluent speculators typically rely on financial newsletters and publications to get the latest "inside" information on the next "hot" stock, IPO and/or investment opportunity. They are perfect prospects for all types of high risk/high return investments and financial subscription offers.

This file is also selectable by bond and mutual fund buyers.
